

through Springfield—The Route 66 Exhibit,” which explores the impact of Route 66 on the Springfield community and will feature never-before-seen items and photographs.

The Museum on the Square is a great way to restore and transform the beautiful historic buildings throughout the square. By offering these new interactive exhibits, the museum has created an exciting way for visitors to explore Springfield's past.

I want to congratulate the Museum for its creative efforts, and I urge my colleagues to join me.

#### HONORING NAN SCHNEIDER

---

#### HON. JANICE HAHN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 2013*

Ms. HAHN. Mr. Speaker, I rise to honor the memory and legacy of Nan Schneider, who passed away on Monday, April 15, 2013 in her hometown of Westchester. Nan was born on November 6, 1950 in Minneapolis, Minnesota to Shel and Pris Siegel. Nan was a loving and witty woman that could put a smile on any face. In order to practice medicine, her father moved his family to California. Through a mutual friend, Nan met the love of her life, Denny, on a blind date. It was love at first sight. They had two wonderful children, Beth and Aaron.

Nan was a woman who saw the beauty in everything and translated it into art. She was also an advocate for education. She volunteered to make Westchester Neighborhood School the best private school in the area. She also spent twenty years volunteering with in Los Angeles Unified School District (LAUSD) at Westchester High in order to, as she said, “fix things.” Her attitude said it all: she would always tell her husband, “I’m not going to ask permission to make it right. If the District doesn’t like it they’ll call me and tell me to stop.” That same passion and drive carried her into Los Angeles politics.

Nan and Denny were no strangers to the concerns of Los Angeles. For 18 years, they fought the expansion of the Los Angeles International Airport into their community. As my colleagues from Los Angeles will testify, Nan and Denny were a force to be reckoned with. Nan also volunteered often for my father, Los Angeles County Supervisor Kenneth Hahn.

I was privileged to have called Nan a friend and I will always have fond memories. Her legacy will always be remembered in Los Angeles and in my heart. Nan Schneider is survived by her husband, Denny, her sister, Linda (Bob), her children, Beth (Jeff), and Aaron (Julie), and her grandchildren, Lily and Penny, for whom she cared so much. She will be missed by her friends and loved ones.

IN HONOR OF MR. STEPHEN STRASSLER, CELEBRATING 40 YEARS OF EXCELLENT SERVICE TO NEW JERSEY

#### HON. ROBERT E. ANDREWS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 2013*

Mr. ANDREWS. Mr. Speaker, I rise today to honor Mr. Stephen Strassler, a business owner in New Jersey. His firm, Reviva Labs has been a successful job creator in New Jersey's first district for 40 years.

Reviva Labs has been giving back to the South Jersey community for 40 years by providing health and skin care to men and women from around the world. As part of his commitment to community service, Mr. Strassler has generously donated skin care protection aids to a variety of organizations, including the U.S. military. Mr. Strassler sent Vitamin E sticks to Iraq, so our brave men and women could protect their eyes and lips in the harsh environment.

Mr. Speaker, the commitment to community service of Mr. Stephen Strassler should not go unrecognized. I join all of South Jersey in expressing our profound gratitude and thanks for Mr. Strassler as he prepares to celebrate the 40th anniversary of his outstanding firm, Reviva Labs.

DOMINICAN MEDICAL ASSOCIATION SIXTEEN YEAR ANNIVERSARY

#### HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 2013*

Mr. RANGEL. Mr. Speaker today I stand to recognize the 16th anniversary of The Dominican Medical Association. An organization dedicated to providing information on disease prevention, education, and counseling to New York City communities.

The Dominican Medical Association or DMA was founded on April 26, 1997, by a group of physicians from the Dominican Republic. Their mission has been to educate communities on health issues and to assist newly arrived physicians from abroad in obtaining jobs in their respected fields, providing them with the tools needed to pass the medical boards, and integrating them into the local medical community.

Last year was one of multiple accomplishments for the Dominican Medical Association. In line with its mission a total of 1119 people were served through health fairs, medical conferences, forums, symposiums, and trainings. The vast majority served through the DMA are Hispanics living throughout all of New York's boroughs.

Information and knowledge on health is vital. My beloved village of Harlem and many areas of my district are predominately inhabited by minorities who have been affected by many health concerns that are the direct result of lack of knowledge on preventative care. Obesity is just an example of one of the diseases that has plagued our communities but it is an epidemic that can be \* \* \*

PERSONAL EXPLANATION

#### HON. JAMES P. MCGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 2013*

Mr. MCGOVERN. Mr. Speaker, due to the recent tragic events in Massachusetts, I was absent for a series of five votes on April 18, 2013. Should I have been present, I would have voted yes on rollcall vote 113; yes on vote 114; yes on vote 115; and yes on vote 116. I share many of the concerns about privacy raised by a number of my colleagues during that debate, and I would have opposed rollcall vote 117, final passage of H.R. 624, the Cyber Intelligence Sharing and Protection Act.

A SPECIAL TRIBUTE TO THE OTTAWA-GLANDORF TITANS

#### HON. ROBERT E. LATTI

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 2013*

Mr. LATTI. Mr. Speaker, it is with a great deal of pride that I rise to pay a very special tribute to an outstanding high school basketball team in Ohio's Fifth Congressional District. The young men of the Ottawa-Glandorf High School boys basketball team have represented their school ably on their way to achieving the Division III State Boys Basketball Title.

In their effort to surpass all other teams in the Division III State Basketball Playoffs, the Ottawa-Glandorf Titans overcame the challenges posed by intense competition.

In pursuing the State Championship, the Ottawa-Glandorf Titans defeated the Versailles Tigers to win their third state basketball championship and make their sixth appearance at the state basketball tournament. In winning the Division III Boys Basketball State Championship, the members of this very special team have shown that their sport requires an individual effort for a team result. As a direct consequence of their hard work and dedication on and off the court, their accomplishment is truly outstanding.

Mr. Speaker, I ask my colleagues to join me in paying special tribute to the Ottawa-Glandorf High School boys basketball team. On behalf of the people of the Fifth District of Ohio, I am proud to recognize this great achievement.
